Dear Sir / Madam

I have responded with a consultation to the pre-submission LDP earlier today. In doing so I noted that there is a serious error in your document which allocates the Heybridge Garden Suburb to South Maldon and the South Maldon Garden Suburb to Heybridge. Figures 5a and 5b on pages 28 and 29 refer.

This serious error is likely to have caused significant confusion amongst people that might have wished to respond to the LDP pre-submission and I believe should be corrected and a new consultation period established to allow people to respond.

I look forward to our response.

Yours faithfully
