2.4 If you consider the Maldon District LDP to be unsound or not legally compliant please explain why in the box below. Please be as precise as possible. Please also use this space for any comments in support of the LDP.

Both before and during the Consultation Process, it was known about the problems in North FAMBURIDGE as to both Sewage & drainage.

Now, somewhat belatedly a Joint STATEMENT was issued in Jan. 2014, by the Environment Agency, Anglian Water and Essex County Council. This statement, which is in the public domain, is dignitive in its view that the current network does not have the capacity for further growth.

It states that a capital cost of between £2.6m + £2.1m (to be borne by the developer) to install & supply piping to either of the two nearest water re-cycling centres.

Clearly the profit margin on 75 dwellings, as proposed, for the village of North FAMBURIDGE, would be somewhat short to accommodate this expenditure

The Proposal for North FAMBURIDGE is therefore
NOT DELIVERABLE
