**2.4.** If you consider the Maldon District LDP to be unsound or not legally compliant please explain why in the box below.

Please be as precise as possible. Please also use this space for any comments in support of the LDP.

Chelmsford City Council welcomes the opportunity to comment on Maldon District Council's Pre-Submission Draft Local Development Plan (January 2014). The Government's 'Planning Policy for Traveller Sites' (March 2012) requires authorities to identify sites to meet the full needs of Gypsies and Travellers including, a five year supply of sites. The LDP evidence base identifies a need for 64 pitches by 2019 and 70 pitches by 2027. Policy H6 (Provision for Travellers) allocates 58 pitches for Gypsies and Travellers to 2029 and proposes a set of criteria for assessing proposals for any new sites. Chelmsford City Council considers Policy H6 is not consistent with national guidance and is therefore 'unsound'. The LDP should identify additional pitch allocations to meet Maldon's needs in full, and to achieve a 5 year supply. The District is not constrained by Green Belt and the under-provision of sites increases the possibility of neighbouring authorities having to take a proportion of their unmet need. This would be unacceptable for Chelmsford City Council.

**2.5.** Please explain in the box below what change(s) you consider necessary to make the Maldon District LDP legally compliant and sound.

Please be as precise as possible. Please explain why this change will make the Maldon District LDP legally compliant and sound. It will be helpful if you are able to put forward any suggested revised wording of the policies or supporting text.

See 2.4 above.

**2.6.** Do you consider it necessary to attend and give evidence at the hearing part of the examination? (tick as appropriate)

**No**, I wish to communicate through written representations ☐

**Yes**, I wish to speak to the Inspector at the hearing sessions ☒

**Please note:** The Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the hearing part of the examination

**2.7.** If you wish to participate at the hearing part of the examination, please outline why you consider this to be necessary.

This aspect of the Maldon Local Development Plan (LDP) has direct implications for Chelmsford City Council's Area. It is not certain if any changes will be made to be LDP before it is submitted or if Chelmsford City Council's objections/ concerns will be overcome. Therefore, this authority requests the opportunity to appear at an Examination and to take part in a round-table discussion of this issue.

**This is the end of Part 2 (Regulation 19 and 20) of the response form. Please complete this form for each representation you wish to make. You only need to complete Part A once. Please submit all of your response forms together.**
