2.3. Do you consider the Maldon District LDP to be unsound because it is not (tick as appropriate):

To be positively prepared the plan should be prepared on a strategy which seeks to meet objectively assessed development and infrastructure requirements

2.4. If you consider the Maldon District LDP to be unsound or not legally compliant please explain why in the box below.

Please be as precise as possible. Please also use this space for any comments in support of the LDP.

Policy S2, table page 17, line 5 (S2 (b) Wycke Hill (North))

The Pre-Submission LDP reduces the number of residential units identified to be delivered on site S2(b) from 450 to 300 in the table shown on page 17. This 150 unit (33%) reduction in the quantum of housing compared to the draft LDP is considered to be unsound and not justified by robust and clear evidence.

We explain DPE's reasons for finding Policy S2 unsound in our Representations report

2.5. Please explain in the box below what change(s) you consider necessary to make the Maldon District LDP legally compliant and sound.

Please be as precise as possible. Please explain why this change will make the Maldon District LDP legally compliant and sound. It will be helpful if you are able to put forward any suggested revised wording of the policies or supporting text.

The number of dwellings provided on Site S2(b) should be increased, back to 450 units, in the table which forms part of the Policy.

This would optimise the use of the Site consistent with the NPPF (and draft policy H4), contribute delivering a well-planned and attractive Garden Suburb in South Maldon and to the LDP exceeding its minimum housing requirement.

2.6. Do you consider it necessary to attend and give evidence at the hearing part of the examination? (tick as appropriate)

No, I wish to communicate through written representations ☐

Yes, I wish to speak to the Inspector at the hearing sessions ☒

Please note: The Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the hearing part of the examination

2.7. If you wish to participate at the hearing part of the examination, please outline why you consider this to be necessary.

DPE is the promoter of Wycke Hill North site. The redistribution of dwellings between the North Heybridge Garden Suburb and the South Maldon Garden Suburb and the subsequent revised wording to Policy S2 in terms of and the quantum of residential units on the Wycke Hill North site impacts directly on future development on the site and its contribution to the SMGS and the district's housing need.

This is the end of Part 2 (Regulation 19 and 20) of the response form. Please complete this form for each representation you wish to make. You only need to complete Part A once. Please submit all of your response forms together.
