- 2.4.** If you consider the Maldon District LDP to be unsound or not legally compliant please explain why in the box below. Please be as precise as possible. Please also use this space for any comments in support of the LDP.

If the box is not big enough for your comments, please attach another page marked appropriately.

Although we recognise that the various matters listed in the policy are important, in reality, not all development can make positive contributions to every single criteria all of the time. Also, the use of the term “maximise” should be avoided, since it is unclear as to its meaning or practical significance. How, for example, can it be determined whether or not any particular development is maximising opportunities for sport and recreation?

In order to be effective in practice, the policy needs to be able to be operated with an element of balance.

2.5. Please explain in the box below what change(s) you consider necessary to make the Maldon District LDP legally compliant and sound.

Please be as precise as possible. Please explain why this change will make the Maldon District LDP legally compliant and sound. It will be helpful if you are able to put forward any suggested revised wording of the policies or supporting text.

If the box is not big enough for your comments, please attach another page marked appropriately.

We propose in the alternative that references to “maximise” be removed and replaced with “Provide”; and that the opening sentence should contain an element of qualification, such as: “All development must, where relevant and appropriate ...”

2.6. Do you consider it necessary to attend and give evidence at the hearing part of the examination? (tick as appropriate)

No, I wish to communicate through written representations ☐

Yes, I wish to speak to the Inspector at the hearing sessions ☒

Please note: The Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the hearing part of the examination

2.7. If you wish to participate at the hearing part of the examination, please outline why you consider this to be necessary.

If the box is not big enough for your comments, please attach another page marked appropriately.

This representation forms part of a suite of inter-related objections by Countryside Properties that relate to the implementation of the North Heybridge Garden Suburb. Countryside Properties are the principal developer for that proposed development.
