2.4 If you consider the Maldon District LDP to be unsound or not legally compliant please explain why in the box below. Please be as precise as possible. Please also use this space for any comments in support of the LDP.

If the box is not big enough for your comments, please attach another page marked appropriately.

Under the title 'Protected Lanes' Blind Lane no longer is referenced or highlighted on the map, therefore this proposal cannot be sound or legally compliant.

This lack of clarity suggests the proposal is also not positively prepared.

It is not evident that Blind Lane is different to most country lanes. It does not appear to provide any insight into a past community. Its ecological value would be no different to any country lane with ditches and hedges running alongside. Therefore the proposal is not justified.

Blind Lane is an essential link for parishioners between Mundon Road and Fambridge Road, and is especially highly used by the residents and businesses of New Hall Lane. Its width restriction already causes many vehicles to detour through Mundon Village, and any potential further designations could be a pre-cursor to further restrictions that will create more road miles, especially through our quiet village. Therefore it cannot be effective as a proposed protected lane.

2.5 Please explain in the box below what change(s) you consider necessary to make the Maldon District LDP legally compliant and sound. Please be as precise as possible. Please explain why this change will make the Maldon District LDP legally compliant and sound. It will be helpful if you are able to put forward any suggested revised wording of the policies or supporting text.

If the box is not big enough for your comments, please attach another page marked appropriately.

Blind Lane should be removed completely from the LDP document, as it is no longer clearly referenced within the document or on the maps.
