2.4 If you consider the Maldon District LDP to be unsound or not legally compliant please explain why in the box below. Please be as precise as possible. Please also use this space for any comments in support of the LDP.

If the box is not big enough for your comments, please attach another page marked appropriately.

The LDP is not consistent with the National Planning Policy core principle to:-

"take account of the different roles and character of different areas, promoting the vitality of our main urban areas, protecting Green Belts around them and recognising the intrinsic character and beauty of the countryside".

The Landscape Character Assessment 2012 describes the character area containing North Fambridge as follows:-

"although there is no settlement within the character area, the small-nucleated settlement of North Fambridge overlooks the area to the north. There is a general sense of tranquillity within the area, despite proximity to the railway corridor directly to the north"

2.5 Please explain in the box below what change(s) you consider necessary to make the Maldon District LDP legally compliant and sound. Please be as precise as possible. Please explain why this change will make the Maldon District LDP legally compliant and sound. It will be helpful if you are able to put forward any suggested revised wording of the policies or supporting text.

If the box is not big enough for your comments, please attach another page marked appropriately.

In my opinion, and for the Maldon District Council LDP to be legally compliant and sound, North Fambridge should be placed alongside other villages in the Rural Allocation Section of the LDP.
