As a resident and householder in North Fambridge I strongly object to the proposal made in Policy Reference 7 to build 75 properties in the village. For many years the Village has suffered with the effects of an inadequate sewage system which has at times of heavy rainfall caused property flooding, certainly in certain houses in Franklin Road, together with pump failure and system collapse. At long last the inadequacy of the system has been acknowledged by Anglian Water and recognised in the Joint Position Paper with Essex County Council and Maldon District Council as being not fit for purpose.

ENVIRONMENT AGENCY

That paper stated that no further housing development should take place in North Fambridge until the system had been redeveloped.

Please therefore remove the Proposal from the Plan.
