**Great Totham Neighbourhood Plan**

To [redacted]

Dear [redacted]

Thank you for all the help you have given to our Neighbourhood Plan Team: the Parish Council is very grateful.

The Council discussed the completed draft at its meeting on Monday and are very pleased with the result which clearly demonstrates the tremendous amount of work put in.

We understand that we should now "hand over" the draft to the District Council for the next stages of the process and I have discussed this with [redacted] and requested that he passes all the papers to you on our behalf. This will ensure that you receive all the correct papers.

Thanks again,

[redacted]

Clerk to the Council
