

Maldon District Council
Statement of Accounts 2023/24
Publication Notice

This notice is published under Regulation 15(1A) of the Accounts and Audit Regulations 2015.

The Council is required to make the accounting records and related documents of Maldon District Council available for inspection each year in the exercise of the rights of interested persons under Section 26 of the Local Audit & Accountability Act 2014 and Section 15 of the Accounts & Audit Regulations 2015.

The inspection period for the financial year ending 31st March 2024 was due to commence on 3rd June 2024 and run for a period of 30 working days from this date. However, it is not possible for the Council to commence the inspection period as, in line with most councils nationally, Maldon District Council continues to experience major audit delays, with the audit of the Statement of Accounts 2021/22 yet to be finalised, and the audit of the Statement of Accounts 2022/23 yet to commence.

The Council will publish its uncertified draft Statement of Accounts 2023/24 as soon as practically possible.
