ANNUAL RECYCLING LEAGUE TABLE FOR ENGLAND 2024/25

The following table contains household waste data derived from WasteDataFlow and Defra's statistical department for the period covering the financial year 2024/25. The data shows the total household waste recycling, composting and reuse rate for English local authorities from April 2024 to March 2025. Local authorities are listed in overall performance order.

			NI191)	recycling or composting (Ex NI192)
1	Stratford-on-Avon District Council	Collection	284	63.90%
2	Milton Keynes Council	Unitary	337.8	63.20%
3	South Oxfordshire District Council	Collection	310.1	61.30%
