

MALDON HARBOUR IMPROVEMENT COMMISSIONERS

NOTICE TO MARINERS

MALDON HARBOUR MALDON TRIATHLON

SATURDAY, 16 MAY 2026

Mariners are advised that upwards of 100 swimmers will be in the water participating in a triathlon on the approach to Maldon between 1145 hrs and 1330 hrs on Saturday, 16 May 2026.

The race will start with swimmers entering the water off the left end of the Maldon Promenade extension (area by the Byrhtnoth Statue).

Two large orange buoys will be installed for the turning points some 360 metres from the extension heading approximately 150 degrees from the extension in line with Northey Road. Large triangular orange buoys (approx 100 m apart) will mark the central line of the route; swimmers to aim and pass these buoys on their right shoulder in a straight line (out and in, once round) back to the extension.

The race area is inshore of the main Blackwater Channel and well short of Northey Road but craft venturing from or to Northey Road should stay clear.

Safety boats will be provided by Active Training World.

This Notice to River Users is self-cancelling on Sunday, 17 May 2026.

For and on behalf of Maldon Harbour Improvement Commissioners
