Subject: Burnham Neighbourhood Plan

Dear Fiona,

The Town Council at its meeting last night agreed to prepare a Neighbourhood Plan. I spoke to Cllr. Bob Boyce C.C. before the meeting and again this morning regarding the support that MDC intend to give Towns/Parishes in preparing such plans.

I understand that this may be in the form of Officer time and also the cost of the required referendum?

Would you please, therefore, take this e-mail as the Town Council's formal application to receive the District Council's support.

Councillor Jack Sheppard will be leading the process for the Town and as such it would be very helpful to meet with appropriate Officers to establish the way forward for the Town.

Regards,

David McNeill

Town Clerk.
