

## Statement of modifications to the published Community Infrastructure Levy Draft Charging Schedule

The following minor amendment has been made to the CIL Charging Schedule following the Draft Charging Schedule (DCS) consultation undertaken in June / July 2014. The amendments relates to a request within representation DCS35 for clarification on the definition of the Retirement Homes / Nursing Homes development types set out in the DCS.

Ref No.	Section	Proposed Minor Change ( <del>Deletions</del> / <u>Additional text</u> )	Reason for Change
1.	Note 5 of the proposed CIL rates	Notes which form part of the Schedule: 5) This was referred to as Sheltered Housing in the Preliminary Draft Charging Schedule. <u>Private retirement homes are retirement homes built for rent (including leasehold) or sale on the open market. Nursing homes are also referred to as care homes.</u>	In response to concerns raised in consultation representation DCS35.
