1. It appears illogical that supermarkets & retail warehouses are exempt in Maldon & Heybridge built up areas but not within the likes of Burnham.
2. Ditto retirement/nursing homes
3. Why is there no rate for general non retail storage warehouses
4. There should be no exception for sites S2(d & e), it creates an anomaly . Better to charge the levy and then give back or pay separately for whatever makes the development "unaffordable"
5. Private residents need more clarity on what pays and what does not
