David Coleman, Esq.,
Strategic Planning Policy Manager -
Malden District Council,
Princes Road,
Malden, Essex. CM9 5DL. 21/09/13.

Dear Sir,

Re: Malden District Draft Local
Development Plan Consultation; Section 56

This scheme would be a disaster
for Burnham. The greatly increased
volume of traffic would be
catastrophic for the two schools -
Orminster Rides Academy on
Southminster Road and St. Mary's
Primary School on Marsh Road.

People should be discouraged from
using their cars and not forced
to commute long distances to work.
Yours faithfully.
