RE DRAFT LOCAL DEVELOPMENT PLAN 2014-2029  
FOR 75 NEW HOUSES FOR NORTH FAMBIDGE

Dear Sir or Madam,

I am writing to you to oppose the above development plan, for the following reasons.

- ① No mention of our village plan and design statement.
- ② This is out of keeping with the rest of the village and does not comply with the stated objective to retain the identity of our villages -
- ③ With 75 Houses more, would mean more traffic in and out of the village, and the B1010 road is getting busier with large lorries, and the turning into North Fambidge is incapable of improvement and with the 450 Houses in Burnham would seriously increase road usage and accidents
- ④ There is little employment in Fambidge. For the unskilled would have to seek positions outside the village, involving expensive travel.
- ⑤ Transport to Broomfield Hospital even with the provision of an on demand bus/taxi service, long journeys with at least two changes.  
Most villagers rely on car transport to St Peter's Hospital in Maldon.

- ⑥ The G.P. services in Maldon are over-subscribed, including at Burnham. With 75 extra houses, this is an insufficient number for an additional G.P. but too much pressure for existing medical practices
- ⑦ Much of North Fambridge is within the flood zone, with 75 extra houses would increase the risk of surface water flooding even if the SuDS approach is used
- ⑧ Any more housing will increase pressure on an already overloaded sewage system, and will make it not fit for purpose. Surface water issues cause backing up of the sewer system and flooding of gardens at Franklin Road, causing a health hazard and damage to property.
- ⑨ Lack of amenities i.e. Parks, footpaths, cycle paths and bridle ways etc.
- ⑩ The reason for the allocation of 75 houses is stated to be because of its proximity to a higher level of services in South Woodham Ferrers, North Fambridge's railway station and access to employment opportunities in South Essex. Many of these additional facilities are only accessible by car or a long walk from S.W. Ferrers railway station.  
I hope that you will take all of these reasons into account.

n.B. My husband agrees with all of the above but cannot write himself as he has suffered a stroke, but I hope that you will take his opposition into account also
