I want to question what new health provision? As I work in the NHS and am very aware of reduction of money for new areas so ~~where~~ what exactly are the proposals for this provision?

Enhanced Public transport - What exactly are you proposing in terms of transport - ie trains & buses?

Landscape & character - I live next to the car park in Burham, I have written to the MDC about the mess which is there responsibility ~~low to date~~ have not had a response, I & the local councillor have taken time to clear up mess. What will you do in future to ensure local facilities + clean + clear of rubbish?

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below [Please use **BLOCK CAPITALS]**

If you 450 homes in Burham is too many.
There needs to be a Feasibility study on all sites to consider impact on Roads, sewage, flooding etc.
A reduction of the size for the 3 sites would have less impact on the environment and local residents.

Thank you for taking the time to complete this questionnaire. Your comments are important and will be fully considered. Please see Maldon District Council's website for future information about the progress of the LDP.
