Strongly disagree with develop the area of Maldon And Heybridge as it does not have the public transport links or roads to cope with the traffic that this build will bring.
MALDON AND Heybridge does not have the Luxury of a TRAIN STATION AND the buses or lack of them AT TIMES IS LAUGHABLE. ANYONE who doesn't have a CAR IN this AREA will tell you how difficult it is to get from A-B. - continued below ->

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below [Please use **BLOCK CAPITALS**]

Continued.
Tell me how we are to expand the road links you cant not without causing more noise and pollution I thought that going forward we were as a country trying to reduce pollution not increase it. BURNHAM, Southminster, Althorne, North Hambridge all have rail links to London that is where the development needs to take place.

Thank you for taking the time to complete this questionnaire. Your comments are important and will be fully considered. Please see Maldon District Council's website for future information about the progress of the LDP.
