

PART B

Reference is made to the appropriate Policy/Appendix numbers in the Draft LDP

- Q1 The overall vision is to improve the quality of life for people living and working in the District and to provide the new homes, jobs and infrastructure required to meet identified needs and support the local economy, whilst protecting the District's heritage and environment.

- Q2 In order to ensure the LDP will meet the requirements set by Government, the Council has reviewed the amount of development required to meet identified housing and employment needs over the next 15 years. As a result, it has been necessary to increase the proposed number of new homes from 3,000 to 4,410 and to allocate 8.4 hectares of additional employment land.

- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

Do you support the proposed distribution of new housing ?

Settlement	Total number of dwellings	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Burnham-On-Crouch	450	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

There is enough relatively new housing already in Maldon & Heybridge and LG services can not cope as it is. Transportation links are dreadful & will never increase until a train line is reopened! Why has proposed housing been cut in Burnham, this seems a perfect place for improvement!

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

It is disgusting that once again fields are being ripped apart to supply housing. Where does nature fit in to Maldon now? Maldon and Heybridge are just becoming 1 massive housing estate catering for those that can not support themselves. Is this really what we want? How is it that the people of Burnham speak & they are listened to but Maldon & Heybridge voices are ignored?

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

Maldon had a name for being a lovely small town. This is no longer the case & is fast becoming a rough place where I would certainly not go out to in the evenings. With affordable housing etc, this will bring in more people with low or no income who are living off of the state. Surely it is better to make the town a more desirable place rather than undesirable. I can not understand the thinking behind any of this. Employment should be local (which it currently doesn't seem to be). We need more businesses here to give employment to those people already living here. Transport is dreadful which doesn't even help those going to Hatfield Peverel station. I never reply to council things but was very shocked to read these proposals.
