Heybridge parish council fought and defeated a similar proposal to build houses within the parish some 15 years ago the then minister blocked the proposals this is all on file and the situation has not changed in the intervening years. The Wimpy development off Heybridge Approach was supposedly for 465 houses it finished being in excess of 700 the County Council failed to build a school on the development. Heybridge residents cannot trust the district council to control the developers.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

The developers are in consultation with Anglian water to prevent Holloway road flooding after a rain shower concreting over soil will exacerbate flooding rather than prevent it. The proposed development site is on land higher than the rest of the village so huge pumps will have to be used to direct water from Holloway Road. The developer has owned the land for many years and will not loose their investment and a refusal of planning permission will cost the District Council money it cannot afford so the present residents of Heybridge will be thrown to the lions for the benefit of the rest of the District.
