I agree that Burnham's allocation of housing should be distributed over the 3 sites proposed rather than a one very large site.

I hope that Garden Suburb features eg tree lined streets green spaces can be included in the 3 sites proposed. Agree with affordable housing. Would strongly support bungalow type housing for older people - NOT blocks of flats. Concerned there is no mention about the need for better flood defences, drains & increased sewage disposal. and nothing about better/increased parking facilities for both residents and visitors lower end of town and near Quay.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below [Please use **BLOCK CAPITALS]**

With an increased population the different problem of a second emergency access to Burnha. Should Maldon Rd or Railway Bridge be blocked. Suggest using road from Southminster where traffic to turn left into Marsh Rd skirt new housing site proposed, over the existing road bridge round to Eastern edge of town + lower end of High St. Absolutely opposed to any bridge over railway via the Riverside Park. Absolutely opposed to any road or housing development on to the Sports Field or Riverside Park next to the Leisure Centre. Need ~~more~~ MORE sports open space and NO caravans.

Thank you for taking the time to complete this questionnaire. Your comments are important and will be fully considered. Please see Maldon District Council's website for future information about the progress of the LDP.
