We consider Maldon to be a small market town which gives it the charm it has, any further large scale development would in our opinion destroy the charm and character of the area.

We would urge you all to look at the problems that will be created by such a huge increase in domestic dwellings in the area and also with regard to the roads and villages enroute out of Maldon, the schools, surgery's and the increase in crime which will also be inevitable, we don't believe any of these will be adequately provided for.

We would also suggest that you look at the immigration petition [www.epetitions.gov.uk/petitions/41492](http://www.epetitions.gov.uk/petitions/41492) which we think requires all of your signatures, as most of the people who immigrate from the EU and beyond are choosing England as their country of choice, this is another major reason why the government is pushing for 5 million new homes across the UK

We know that as a small island, in not too long, we will struggle to provide enough energy and water for the current population.

The reasons stated above are why we 'strongly disagree' with any major housing developments

Thank you for taking the time to complete this questionnaire. Your comments are important and will be fully considered. Please see Maldon District Council's website for future information about the progress of the LDP.
