7<sup>th</sup> October 2013

Dear Mr Coleman

### MALDON DISTRICT COUNCIL LOCAL DEVELOPMENT PLAN

The Town Council Planning Committee at its meeting on 9<sup>th</sup> September, 2013 made the following comments on the Maldon District Draft Local Development Plan Consultation.

That, Members of the Planning Committee would be completing the Public Consultation Questionnaire as individuals but also commented that, although the Town Council understands the need for more housing, Members would want to ensure that the necessary infrastructure is in place before development commences. Including

- The road network (including the A12 link)
- Medical, including hospital, facilities
- Education provision
- Public transport
- Services
- Drainage.

Yours sincerely
