- Q2 In order to ensure the LDP will meet the requirements set by Government, the Council has reviewed the amount of development required to meet identified housing and employment needs over the next 15 years. As a result, it has been necessary to increase the proposed number of new homes from 3,000 to 4,410 and to allocate 8.4 hectares of additional employment land.

- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

**Do you support the proposed distribution of new housing ?**

<b>Settlement</b>	<b>Total number of dwellings</b>	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Burnham-On-Crouch	450	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

My preference would be to north west of south woodham ferrers as there is better infrastructure to support a development tof this size. Burnham / Fambridge and the Dengie have one road in and out to the main motorways, with 450 homes coming into burnham and 75 from fambridge all using the 1 road to get in and out of the area, ( I would anticipate at least 500 more cars using the road... but this figure be at least double - we are a family of four all drivers four different cars).

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

I think there should be a much clearer break down on added facilities to support the new developments. Is there going to be bigger roads to bring the extra numbers in and out of the area...a break down on actual highways improvement should be made available to the public to review.? How many new dentists doctor surgery's will support the enlarged housing. Public services....more frequent trains....???? i don't think so. Expansion of burnham business park..... are there business that will support this expansion...more business more lorries on a road that cannot support them. Contribution to health provision....can you please be more specific.... As in the past many most developers promise but little deliver.
