Q13 The Council has produced an updated to support the Draft LDP which is available on the Council's website. Do you have any comments on this?

A very thorough document, the content of which have clearly been used to inform the Districts LPD. I did however expect to see more information on neighbouring Districts LDP's particularly with regard to their housing plans for areas that are close to Maldon DC, together with some indication on how they should be taking into account within Maldon's LDP and an assessment of their likely impact on local communities within Maldon DC.

Q14 Do you wish to comment on the *proposals map* or any other policies in the Draft LDP?

If so, please enter here which *Policy / Paragraph number(s)* you refer to **Q7 Policy No 57**

I ticked 'disagree' for Q7, not because I disagree to the principle, but because I believe that, unless there is a need for new development to ensure sustainability of a rural village, no decisions on which rural sites should be developed should even be considered until well into the plan period, rather than being pursued over the next 2 years. Only then will the impact of developments from Maldon and Neighbouring Districts be known - this will be very relevant for villages North of Maldon.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

The planned Garden Suburbs sound very ambitious and if achieved should provide good places for people to live and work. I only hope that enough care will be taken to ensure that green spaces are made available within the developments to help maintain the rural feel of the District which are so important and valued by those who live here.
