- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

Do you support the proposed distribution of new housing ?

Settlement	Total number of dwellings	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

I totally disagree with the building of anymore new homes in any part of this region, and don't have a preferred area where future building should take place. I think that enough is enough, if there are not enough houses to supply the current demand, then what does that say about our society today and the very serious issues relating to immigration and overpopulation, surely this issues should be addressed, instead of hankering to the need of the masses.

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

After reading the proposed plan, it reads to me that the pay-off for more housing would be improved retail, leisure, entertainment, renewal of the causeway etc. It's a sham that we have to ruin the character of Maldon to be able to have these improvements within our town, it's as if someone has said.....sorry no new housing.....no improvements. By overpopulating the area and turning Maldon into a suburban sprawl, these nice little add on will just get used up by an increased population.

Please think about the bus transport service, when considering the new housing developments in this area.....which I know will happen anyway whether we like it or not. The first bus service from Chelmsford to Maldon late afternoons during week days is already extremely overcrowded, with often standing room only. This will only get worse with more housing, and future customers for this bus service. With the bus being the only means to and from Maldon, I would hope that First buses and Maldon Council will come to together to try and ease this future situation.
