Reasonable, providing of course that the suggestions are actually followed through. How likely is this? Not very I would assume!

This is a colossal area of development when considering that there are TWO other areas planned as well. You haven't spent enough time on considering the impact of such a development on this area, and indeed the whole of Burnham On Crouch!

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

I don't oppose the fact that new houses need to be built, however I do strongly oppose the number proposed for Burnham On Crouch. 450 new builds are ridiculous. No thought has or indeed will be given to the impact of these developments on the area. This neighbourhood will be turned into one huge housing estate with that many new builds...who will be living in these houses? There's precious little work in Burnham and the surrounding area as it is...who on earth is going to buy these houses? Sounds to me like the proposal for such a huge increase in housing in this area is nothing more than the fact that it will be 'out of the way'. Yes? I highly doubt that ANY of the proposed areas put forward for development are anywhere near the Councillors dwellings!
