- Q2 In order to ensure the LDP will meet the requirements set by Government, the Council has reviewed the amount of development required to meet identified housing and employment needs over the next 15 years. As a result, it has been necessary to increase the proposed number of new homes from 3,000 to 4,410 and to allocate 8.4 hectares of additional employment land.

- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

Do you support the proposed distribution of new housing ?

Settlement	Total number of dwellings	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

To justify the number of proposed dwellings more detailed information has to be provided about improvements to the local infrastructure & the type of employment to be attracted. How will Maldon District Council (MDC) ensure Developers fulfill their contractual obligations? All too often Developers fail to deliver, even when written into contracts, concerning community facilities, infrastructure etc, by the time councils realise it is too late, too costly or are unwilling to do anything.

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

Too little detail to agree with the policies being proposed, information provided is far too vague. More detail as to the number of properties but little else.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

Statements such as "provide at the right time", "potential improvements", "the use or display of advertisements does not" (how exactly) requires detail. What infrastructure improvements ie., road, public transport (consultation with bus companies, rail), utilities (the Dengie has suffered over the last 10 yrs + with power outages). What type of employment is wanted, who will be used to help with this ie., ARU, Essex University? What improvements to broadband? Businesses, big or small, will not move to this area with the broadband speeds we have now. Mention is made of The Plume School, where does Ormiston Academy fit in. Burnham is expected to take 450 homes, where are children in these properties to be educated? What provision for the elderly ie., care/nursing homes? As the saying goes "the devil is in the detail"! Unfortunately there is little detail to support what is being proposed & it would be a sad day if the Maldon District becomes like Chelmsford, a commuter town.
