- Q2 In order to ensure the LDP will meet the requirements set by Government, the Council has reviewed the amount of development required to meet identified housing and employment needs over the next 15 years. As a result, it has been necessary to increase the proposed number of new homes from 3,000 to 4,410 and to allocate 8.4 hectares of additional employment land.

- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

**Do you support the proposed distribution of new housing ?**

<b>Settlement</b>	<b>Total number of dwellings</b>	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Burnham-On-Crouch	450	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

In order to maximise the possibility of securing planning gains to benefit Burnham, the new development should be concentrated on a single large site and the others should be closed to any development for the life of the new plan or MDC will simply encourage developers to enlarge ALL 4 sites. The entire development should be located at the rear of Pippins with vehicular access into Marsh Road. Only pedestrian and cycle access should be allowed from the new into the existing Pippins development.

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

Q13 The Council has produced an updated to support the Draft LDP which is available on the Council's website. Do you have any comments on this?

No. MDC's discussion of "sustainable development" is characterised by ludicrous language and tortured argument. "Sustainable development" is a catchphrase and means whatever MDC wants it to mean.

No

None of the proposed developments will solve Burnham's problems; • a severe lack of adequate parking in town; • a lack of affordable housing for elderly and young/single parent families close to the existing shops. Most of the current schemes will be oriented towards large homes whereby the developer can maximise his profit; • The existing Doctor's surgery is overloaded and cannot expand. Parking is already inadequate and the building is completely hemmed-in; • Many of Burnham's retail businesses are struggling. In order to address these problems, and whichever site is selected for the expansion of Burnham, I suggest that MDC should also consider using some (say 25%) of the land at Millfields between the river and the sports hall to: • Allow construction of a small number of (preferably Council) houses/flats for elderly and young/single parent families; • Create a new/sat ellite doctors' surgery; • Provide parking for cars and a few coaches to encourage visitors and boost local shops.
