Q13 The Council has produced an updated to support the Draft LDP which is available on the Council's website. Do you have any comments on this?

I feel all villages and towns need new blood and all should have some new developments but not in the huge numbers this latest plan suggests. Try giving every village and town some new housing and the primary towns more community builds eg schools and medical establishments. Please think of developing Latchingdon and especially give it better facilities and road access - it is a dreadful bottleneck and could be a lovely place to live if given more thought and help.

We need to have more development and all understand that we need to have our quota in the region but why do we have to have huge masses of houses - spread the housing out around the area and include the facilities these areas need eg doctors and shops and road links and there will be a lot less opposition in my opinion!
