The Almshouse Charities propose becoming Charitable Incorporated Organisations to provide local homes for local people, vulnerable adults & young people... affordable housing. They propose to work within the draft Housing Strategy of the Essex County Council & to meet Housing Communities Agency & Dept Health Strategies for providing for social rent, small one & two bedroom units in windfall sites in villages (an example in Althorne) but also small exception sites and S 106 special plans specifically nominating small numbers of "almshouses" in larger sites such as the Garden Cities & Burnham. There is no right to buy charity property which will belong to the local community through its CIO and reserved to the designated client group ie older people, people with learning disabilities & young people.. Henry Gilder Drake will serve an area south of the River, Willie North of the River.. This is a new concept which owes its origin to localism, the new planning framework & the desperate need
