

## PART B

Reference is made to the appropriate Policy/Appendix numbers in the Draft LDP

- Q1 The overall vision is to improve the quality of life for people living and working in the District and to provide the new homes, jobs and infrastructure required to meet identified needs and support the local economy, whilst protecting the District's heritage and environment.

Do you support the overall vision for the District set out on of the Draft LDP? <i>(please tick one box)</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- Q2 In order to ensure the LDP will meet the requirements set by Government, the Council has reviewed the amount of development required to meet identified housing and employment needs over the next 15 years. As a result, it has been necessary to increase the proposed number of new homes from 3,000 to 4,410 and to allocate 8.4 hectares of additional employment land.

	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>

- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

**Do you support the proposed distribution of new housing ?**

<b>Settlement</b>	<b>Total number of dwellings</b>	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Burnham-On-Crouch	450	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

I think the plan is unacceptable because of the scale of proposed new builds. Heybridge would appear to be a doubling of existing dwellings. If Government requires MDC to propose a plan for growth, perhaps no more than 25% of the proposed number of dwellings would be sufficient, phased over a 15 year period to enable infrastructural development to keep pace.

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

What guarantees are there and from whom that additional/improved infrastructural development will definitely be undertaken? This is particularly relevant in so far as the following issues are concerned and especially, how they are going to be addressed: 1. Car parking at Maldon High Street - how to accommodate cars from 4410 new properties? 2. Healthcare provision - what guarantees from NHS to expand existing facilities? 3. Waste water treatment - what guarantees from Anglian Water and EA? 4. Surface water drainage - north of Holloway Road - What guarantees from EA? They failed to adopt the Bovis scheme in 2005. Who will maintain it? 5. New Country Park - north of Holloway Road - When? Without it, surface water will not be diverted and flood Holloway Road/Regency Court 6. Urban blight - devaluation of properties backing onto proposed development land - north of Holloway Road. Who pays compensation? 7. Highways - Guarantees from ECC? Already cap acity issues.
