Please ensure the integrity of the long established recreational activities of the Drapers Farm Clubs. This successful land share needs to be expanded upon as more people move into the area. The club is already struggling to provide adequate parking, changing facilities and playing areas for the large number of people that currently use it and more people moving into the area will only increase this. Why look at additional facilities elsewhere when there is already a thriving footprint that can be bolted on to? Failure to take this opportunity to increase the size and scope of what is a truly community centred Club - and in doing so depriving its people of the chance to play rugby, cricket, etc. - will not only have a detrimental affect on the health of the community, particularly the young who attend in their 100s each week, but will be a travesty and legacy of poor local government. Thank you
