We have problems with flooding in Holloway Road building new homes off the Holloway Road where will the excess water go when the flood plains disappear We also have traffic congestion on most roads in Heybridge this would be adding to the traffic problem we can't see the Bypass coping with the extra traffic our doctors surgeries cannot cope with the population as it is. we also lack social amenities in Heybridge we all love the open spaces they we have i.e. Beeleigh etc fear that we eventually loose these as well. You have tried to solve the flood problem in Holloway Road but it clearly has not worked. We realise the Government are asking you to build more homes but at what cost to the people and the enviroment .
