I am a player and active committee member at Maldon Rugby Club. The proposed development at S2g gives me considerable cause for concern as we are already lacking in sufficient pitches and facilities due to the continued growth of the club, particular within the youth section. My concern is that our playing fields will be earmarked as recreation area for the new housing, or even worse, the new housing in the area could be the start of further development in the vicinity, thus resulting in the loss of our playing areas. As mentioned above, Maldon Rugby Club, and Drapers Farm Sports Club as a whole are a growing entity and we need more space in order that we can continue to offer the opportunity for people in our district to play the sports of their choice - particularly if the population is set to increase. The Council do not seem to have any provision in place for additional playing area for Drapers Farm Sports Club, in fact it would seem opportunities for expansion will be reduced.
