There are no details of any expansion of the facilities at Drapers Farm - The current use of the site is already severely oversubscribed and no detail has been received on how local sports clubs and facilities will be improved/expanded to cope with addition housing, population and demand.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

Drapers Farm is host to Maldon Rugby & Cricket Clubs, which, while both highly successful & provide superb sporting opportunities for local people/children, suffer from a lack of resources. The Rugby Club is very popular with the youth of the district, with some 240+ signed up young players & as such find it impossible not to encroach on neighbouring roads & areas for parking, whilst also utilising Scraley Road, which will be lost if Heybridge Swifts is developed. Home fixtures, where we host the likes of Colchester/Chelmsford/Brentwood are minor miracles every time we complete one... If we are to keep a viable Rugby Club at Drapers, offering fist class sport to the youth of the district we need the additional pitches, training areas, parking & building infrastructure (Inc. enhanced female facilities) to be greatly improved to cater for the increase in local population proposed in the LDP and not have to say no to children who want to play sport and cap our numbers in the youth section...
