- Q2 In order to ensure the LDP will meet the requirements set by Government, the Council has reviewed the amount of development required to meet identified housing and employment needs over the next 15 years. As a result, it has been necessary to increase the proposed number of new homes from 3,000 to 4,410 and to allocate 8.4 hectares of additional employment land.

- Q3 The main urban areas of Maldon, Heybridge and Burnham-on-Crouch are considered to be the most appropriate locations for new housing. Following consideration of alternative options which are detailed in the Draft LDP , the following distribution is now proposed.

Do you support the proposed distribution of new housing ?

Settlement	Total number of dwellings	<i>Strongly Agree</i>	<i>Agree</i>	<i>No Opinion</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Maldon	1,830	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Heybridge	1,000	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Burnham-On-Crouch	450	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- Q3 If you disagree, is there an alternative distribution of new housing which you would prefer?

We object to the overall allocation on the table in particular the rural allocations and inclusion of the windfall allowance. There should be a greater distribution within the rural area and the allocation within North Fambridge is questioned on sustainability grounds due to the reliance on South Woodham Ferrers for the justification. There are other areas in closer proximity to main towns that should be considered for development in addition to or as an alternative to North Fambridge.

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

Q13 The Council has produced an updated to support the Draft LDP which is available on the Council's website. Do you have any comments on this?

The SA must consider the rural nature of the District in depth and it is not necessarily the services that an individual settlement or village may have but the ability to access those in close proximity.

Q14 Do you wish to comment on the *proposals map* or any other policies in the Draft LDP?

If so, please enter here which *Policy / Paragraph number(s)* you refer to **S7, S8, H4**

Please enter your comments in the box below

S7-The development boundaries should be reviewed to include the land north of Mill Road known as Stoney Hills as within the development boundary. Object to paragraph 2.83 as stated. S8-Stoney Hills with the extended boundary should be included as a Village within the settlement hierarchy due to access to services at Burnham-on-Crouch. The issue is not just the services within the settlement but access to them. H4- This should include infill sites within or outside a defined settlement boundary.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

The settlement hierarchy has been based on services within a village and not proximity to existing facilities. The boundary for Stoney Hill should be increased for the reasons stated and the settlement should be included within the hierarchy as many essential services are within walking distance. Proposals for North Fambridge rely heavily on South Woodham Ferrers to justify the allocation. Stoney Hills is within walking distance of the Burnham-on-Crouch Station and the only Secondary School in the area. There is available Primary School and secondary school places in the area and the Draft LDP expresses concern at declining populations.
