I feel these decisions are probably taken by people who do not live in and therefore not directly affected by these developments. Surely anyone can see that the beauty of Maldon will be DESTROYED by this massive scheme .

- Q4 It is proposed to develop two Garden Suburbs in Maldon and Heybridge which will be comprehensively planned to ensure the provision of a mix of housing, community and educational facilities, open space and new transport provision.

Q13 The Council has produced an updated to support the Draft LDP which is available on the Council's website. Do you have any comments on this?

Normal working people do not have the time to read and digest a document of this size while I understand your requirement to publish it most people will not read it and are relying on you to protect their interests as elected officials and I am sure most people will object to these plans and as we live in a democracy i hope you respect their opinions

Q14 Do you wish to comment on the *proposals map* or any other policies in the Draft LDP?

If so, please enter here which *Policy / Paragraph number(s)* you refer to

It is my belief that revenue for the council by way of rates from an increased number of residents or developers via property sales is the biggest driver of this scheme. The rural views currently enjoyed over limebrook way and mundon will be destroyed for ever. This is not chelmsford or Milton Keynes please preserve our country image

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

We moved here from Romford some time ago to escape the urbanisation projects and can see Maldon going the same way please don't make me move again We fell in love with this quaint little town, beautiful views and people and would hate to see it spoilt.
