If so, please enter here which *Policy / Paragraph number(s)* you refer to **LDP Policies and Annex 5**

Please enter your comments in the box below

We feel strongly that in our village of Tolleshunt D'Arcy any development should be retained within the existing village boundary and should not be allowed to expand outside onto green or brown belt land to protect the character of this village and to ensure that it does not expand into a small town. We feel strongly that other surrounding small villages should also be considered in the same light and that we should protect the countryside and small villages that we have in Essex.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

We feel that it is important to continue to improve existing towns and provide adequate housing needs there but that we should not expand these towns out into rural areas. Essex has always been an area for visitors due to its rural beauty and we should strive to retain this.
