Affordable housing. There is not enough affordable housing or starter homes in Mayland. We need them. My daughter had to emigrate as she couldn't afford to buy a house in the village, didn't want to live in Maldon or Southminster, so moved abroad. Also, part of my garden was submitted in the call for sites (in another name) and this was not assessed by MDC as part of the LDP. it was then conveniently lost. Presumably because it was not in Maldon, Burnham or Heybridge. It seems very dodgy.

Q15 If you wish to make any other comments on the Draft LDP, enter your comments in the box below

why were some sites not assessed? It should have been the same for everyone, but I suppose the applicants are not developers and it was not in the towns that the council want to develop. More local housing for local people, affordable for people who work on a low income, not just for those who choose not to work.
