

Public Notice

Proposed Variation of Environmental Permit conditions under the Environmental Permitting (England and Wales) Regulations 2007

Maldon District Council has made a final decision (or final determination) for:

Wyndeham Heron Limited
The Bentall Complex
Colchester Road
Maldon
Essex
CM9 4NW

For a Regulator-initiated variation of their permit to operate an activity for heat set web offset printing. The Council has published the final decision on the public register. You are able to view the public register free of charge, which is held at: Environment Services, Maldon District Council, Princes Road, Maldon, Essex CM9 5DL. The public register and can be viewed Monday to Friday between the hours of 9am to 5pm.

The public register contains the following information about this proposed permit variation:

- Information relevant to the final decision (or final determination)
- Details of guidance published by the Secretary of State for Environment, Food and Rural Affairs;
- Information on the arrangements for public participation; and
- A decision document, which gives the reasons, and considerations on which the Council has made the final determination.

Representations on the **final** decision can be made to Maldon District Council at the above address.

Any written comments will be placed on the public register unless they include a statement requesting that this is not done. If there is such a request, the register itself will include a note that representations have been made and are not on the register because of such a request.

The date on which this consultation closes is: **10th May 2010**
